COVID-19

For entry, you will need to demonstrate your COVID-19 status by providing one of the below :

Proof of a negative NHS Rapid Lateral Flow Test (such test to be taken within 24 hours prior to attending the event at the venue)

NHS Rapid Lateral Flow tests are free - You can pick them up from any pharmacy or test site - Please do not bring the home test strip with you - You must report your COVID-19 NHS Rapid Lateral Flow Test result online via <https://www.gov.uk/report-covid19-result>. If you do not have access to the internet, you can also report your test result by calling the phone number in your test kit's instructions, NHS 119 (England, Wales and Northern Ireland) or Scotland 0300 303 2713.

You will need to be able to show either

- a) Text OR email confirmation of your result or
- b) The NHS COVID Pass via the NHS App or
- c) A letter that can be requested by ringing NHS 119 (England, Wales and Northern Ireland) or Scotland 0300 303 2713

Proof of full vaccination - both doses received (with the second at least 14 days prior to the arrival at the venue)

We will accept vaccine cards issued at vaccination centres as proof of vaccination. Please use the NHS COVID Pass to show your vaccination status using the NHS App or the NHS website to download it as a PDF or get it sent to you in an email. You can also get a paper version (vaccination status only - not test results - 2 weeks after having a full course of the vaccine) sent to you in the post. You do not need to be registered with a GP surgery or have an NHS login for this. You can get a letter (within 5 working days) by requesting a COVID Pass letter online or calling NHS 119

Proof of natural immunity based upon a positive PCR test within 180 days of arrival at the venue (and after the 10-day self-isolation period following the result)

Please use the NHS COVID Pass to show your positive PCR test within the past 6 months using the NHS App or the NHS website, after you've finished self-isolating and up to 180 days after taking the test
