

DROP THE BEAT

Choreographed by: John H Robinson , USA (Jan 06)
 Music: **Embrace** by **Bee Gees** (CD: This Is Where I Came In [118bpm])
 Descriptions: Phrased count - 4 wall - Intermediate level line dance

There's a 4-count crescendo, start with lyrics; ignore the phrasing and enjoy the dance. The advanced phrased version (described at the bottom of the page) fits the music better but in the end comes out exactly the same as if you ignore the phrasing! Slow your footsteps when the music slows.

ADDITIONAL MUSIC: Droppin' Like Flies (Radio Mix) by Sheila E (120 bpm, CD single), 16-count into, one restart after count 56 on 3rd repetition (facing 12:00), do a ball-change to start again; end of song, finish on the hip bumps facing the front wall. No restarts: Flashdance (125 bpm, 16-count intro from beat) or Yes Sir, I Can Boogie (126 bpm, 40-count intro from beat) by Bjorn Again (CD: "Flash Back").

START AGAIN AND ENJOY!

ADVANCED PHRASED VERSION (Embrace): You will hear the restarts as slight pauses in the music. Dance all the way through once; on the 2nd repetition, you'll get to count 36 (the brush/flick after the lunge) and start over (you'll be facing the 6:00 wall). Do the dance to count 36 and start again (you'll be facing 9:00). Do the dance to count 52 and hook R instead of stepping forward so you can start again (you'll be facing 3:00). Do the dance all the way through then add the four-count lunge/flick (you'll be facing 6:00). Then do the entire dance until the end of the song. When the music slows down, slow your footsteps to match, the regular pace will kick in after the lunge.
